in LEARNING
WITH **Lynda.com** CONTENT

LinkedIn Learning for Libraries is a database of in-demand skills with over 16,000+ online courses taught by expert instructors.

Where to access:

- Go to the Wayne County Public Library website **https://wcpl.info**
- On the menu bar **Find Information**
- Drop down to **Research Databases**
- From the Alphabetical A – Z, click on **L**
- Click on **LinkedIn Learning with Lynda.com Content**

What you need to access: A valid Ohio library card + pin + email address

---

Frequently Asked Questions

1. What if I lost my library card? If you lose your library card and are issued a new number from your library, your previous learning history won't be available under the new library card number and PIN.
2. Is a LinkedIn profile required to access LinkedIn Learning for Library? No, only requires a valid library card number and PIN to access content.
3. Does anything appear on my LinkedIn profile when I start or complete a course? No, nothing will appear on your profile unless you proactively share an update on it.
