Once a pon a time
there was a girl and
she was shy.

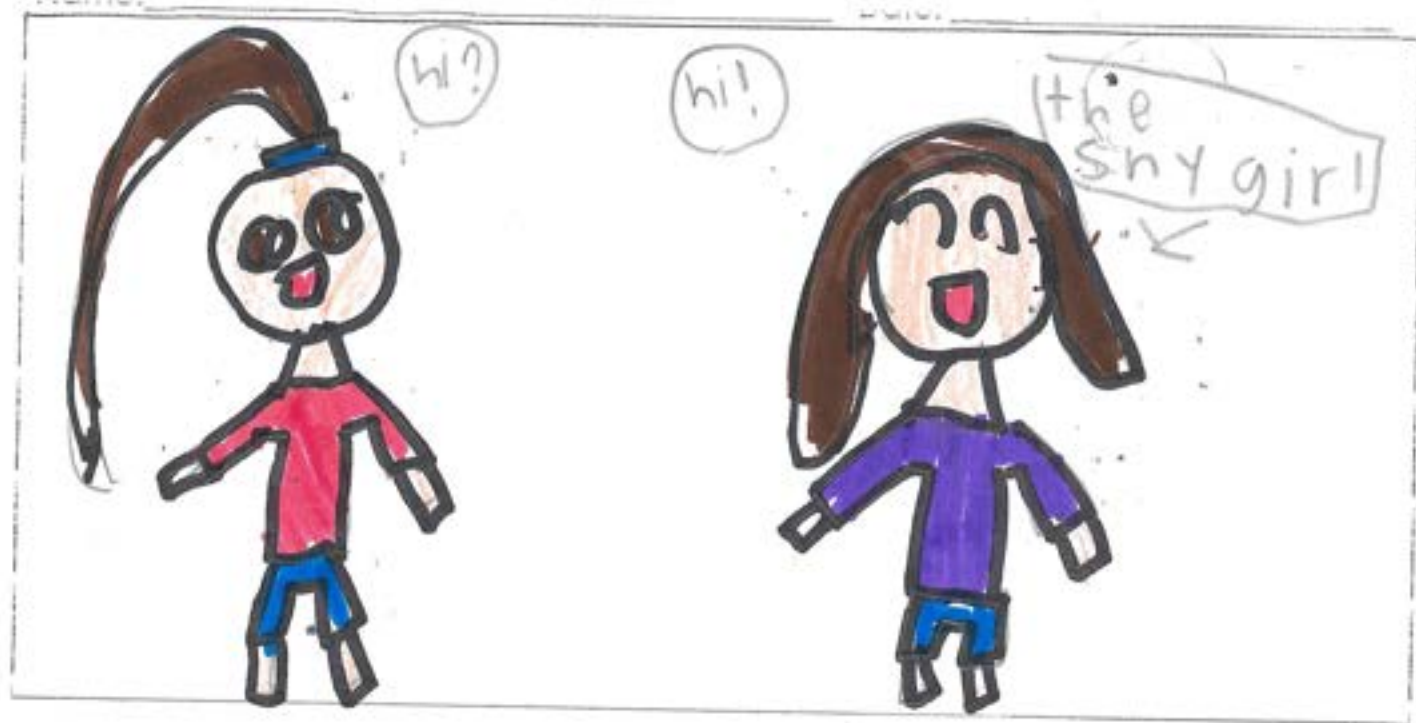

One day someone
talked to her and she
said hey! Then the

Shy girl looked at her
and so ever slowly said
hi. After that she went
home and thought that
it was not so bad! She
said I am going to talk

to her again tomorrow

She said hi to the

girl the next day.

The other girl said I

thought you were shy?

The girl said yes I am shy

Name: _____

Date: _____

but when you said hi

I learned that you don't

have to be shy. The

girl said want to be

friends? Then the other

girl said Sure! They became

best friends and lived happily
ever after! ♡ ♡
