

# GENEALOGY & LOCAL HISTORY

## GENEALOGY FALL PROGRAMS 2021

### Woman Suffrage: A Local Perspective

Tuesday, October 5 from 6 – 7:30 PM

It took women 144 years in the United States to win the right to vote. What role did local women and men play in the movement? Join us in this presentation to learn more about local involvement in *“Votes for Women! Woman’s Journey to be Heard and Treated as an Equal.”* An overview will be given on the Woman’s Suffrage Movement. Registration for ages 14 and up begins August 1. → In Conference Room West.

### Lunar knowledge and mound building of our earliest Ohio settlers

Thursday, October 14th, from: 7 – 8 PM

Do we realize, and appreciate, the incredible archeological imprint left behind by our earliest occupants of the state? Are we knowledgeable, or familiar with the massive earthworks complex they left dating back several thousand years? Join us as we delve into a slice of really early Ohio history as we explore what these earliest of Ohio residents built and left for us over the span of some 5500 years ago. → In the Conference Room.

### Researching Indigenous People in Genealogy

Tuesday, November 9 from 6:00 – 7:30 PM

Have you heard the stories in your family that an ancestor was a Native American? This presentation will give a very basic overview on how to try to locate your Indigenous Ancestor and the tribe in which he or she may have belonged. Registration Required. → In Conference Room East.

Please check with the library for **current mask requirements** at programs.
